

# Local Communities

Country : Denmark

Local Community name	Varde Kommune
Address	Bytoften 2, 6800 Varde, Denmark
Short Description	<p>The municipality of Varde is in the process of planning Sport skills as a main-line opportunity.</p> <p>The target group is pupils who attend the 7<sup>th</sup> till 10<sup>th</sup> grade at their local school. Pupils who practice and are good at their chosen sport and would be able to manage their studies at school as well as training hard to improve their abilities in that sport.</p> <p>There will initially be three sports – football, handball and badminton.</p> <p>The plan is that the pupils will have the opportunity to train two mornings a week. This will be supplemented with a course twice a year where the focus will be laid on healthy diet and prevention of sports injuries.</p>
